

woodland winter

Nests, pine cones and other woody accents create a peaceful and serene holiday tableau that can be displayed throughout the season. Red and russet accents—in the berries, *Hydrangeas*, ribbons and wool—add the requisite pop of holiday color.

design tip

Spray the unfinished wood bases for the glass domes with Design Master stain (in this case, Pecan) so their hue harmonizes with the other wooden accessories.

MATERIALS: permanent botanicals, including berries, *Hydrangeas*, rosemary and *Magnolia* leaves, and nests from Direct Export Company; pine cones from Columbia Pine Cones and Botanicals; feather and lichen orbs from Schusters of Texas; cinnamon sticks from Knud Nielsen Company; birds from Jamali Floral & Garden Supplies; eggs from Mountain Farms; wire urns from Baisch & Skinner; velvet ribbon from Lion Ribbon Company; wool from Accent Décor; glass cylinder vases from Syndicate Sales; Patrician® brand candle from Candle Artisans; Pecan Home Décor Stain from Design Master Color Tool; wood candlesticks and glass domes and bases from favorite suppliers.

nostalgic greetings

Creamy, understated hues combine with a hint of glitz in this collection, which achieves its impact with the incorporation of a wide range of textures.

MATERIALS: juniper swag, mosaic ball ornaments, bead/jewel balls and wreaths, snowy birch twig trees, and driftwood bowl and cone topiary from Allstate Floral & Craft; pine cones from Columbia Pine Cones and Botanicals; wool fabric ribbon from Accent Décor; Oasis® Floral Foam Sphere from Oasis® Floral Products; wood candleholders from Roost; carnations and candles from favorite suppliers.
